Re: Year End Report (11/28/00 – 12/31/00)

Dear Ms. Kelly:

This letter is in response to your letter dated May 30, 2001 in reference to the above mentioned report (see attached copy of your letter). Upon your review, questions were raised concerning certain information contained in Year End Report relating to Schedule A contributions that either appear to exceed the contribution limits or were made after the General Election and Column B figures for the Summary and Detailed Summary Pages for the Year End Report.

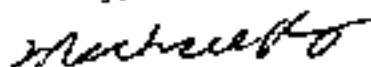

Attached, please find an amended Schedule B correcting the descriptions and amended Column B figures for the Summary and Detailed Summary Pages for the Year End Report.

Per review of the contributions identified on the Year End Report, we noted that the General Election was incorrectly marked. The contributions received were not designated for the General Election and hence, should have been marked Primary. Throughout the year 2000, we were experiencing problems with our Campaign software. For the 2001 Election year, we have obtained the latest version of the Campaign Manager and all applicable updates, and have re-evaluated our procedures for tracking and reporting contributions. We have enclosed for your review an amended copy of Schedule A.

Regarding Stephan Wojak, we are refunding the excess contribution of \$1000.00. Attached please find a copy of the refund letter along with a copy of the check.

I hope that this satisfies your inquiries of May 22, 2001. If anything further is needed, please do not hesitate to contact me.

Sincerely,

Michael G. Horsey, CPA
Treasurer
